

# Shaped / Stepped Units

## Ordering Shapes / Stepped Units : Dimensions

When ordering shapes there are certain dimensions and/or angles required (fig 1) if a unit is also stepped we would require both sheet dimensions (fig 2)

Please Note : Stepped units require both pane dimensions

## Ordering Shapes / Stepped Units :

Recently, glass technology has become more advanced than ever and this facilitates changes to be made to manufacturing processes, to enable us to manufacture certain products to our high standards we are only able to accept templates for glass in the mediums listed below, please ensure all orders are viewed from the outside and have all the relevant glass sizes :-
